ORDER GRANTING PLAINTIFFS' UNOPPOSED MOTION FOR PRELIMINARY APPROVAL OF SETTLEMENT AND APPROVAL OF PLAINTIFFS' PROPOSED NOTICE OF PENDENCY OF CLASS ACTION AND PROPOSED SETTLEMENT

The above-entitled matter came before the Court on Plaintiffs' Unopposed Motion for Preliminary Approval of Settlement and Approval of Plaintiffs' Proposed Notice of Pendency of Class Action and Proposed Settlement ("Motion for Preliminary Approval") (Docket No. CV 12-8095). (Docket Entry M-5)

I. Preliminary Approval of Settlement

1. Based upon the Court's review of the Declaration of C.K. Lee ("Lee Declaration"), and all other papers submitted in connection with Plaintiffs' Motion for

Preliminary Approval, the Court grants preliminary approval of the settlement memorialized in
the 6/14/13 Settlement and Release Agreement ("Settlement Agreement"), attached to the Lee
Declaration as Exhibit A. denoted.

AP 2. The Court concludes that notice to the Class is appropriate.

3. The Court finds that the Settlement Agreement is the result of extensive, arm's length negotiations.

4. The Court finds that the Settlement Administrator's administration fees is appropriate and approves such fees.

II. Class Notice

AP 4. The Court approves the Proposed Notice of Pendency of Class Action and
Proposed Settlement ("Notice"), which is attached as Exhibit B to the Lee Declaration, and
AP directs its distribution to the class. (Court action to allow the notifying Class Members
spend in at least 44 & 9.)

5. The content of the Notice fully complies with due process and Federal Rule of

Civil Procedure 23.

6. Pursuant to Federal Rule of Civil Procedure 23(c)(2)(B), a notice must provide:

the best notice practicable under the circumstances, including individual notice to all members who can be identified through reasonable effort. The notice must concisely and clearly state in plain, easily understood language: the nature of the action; the definition of the class certified; the class claims, issues or defenses; that a class member may enter an appearance through counsel if the member so desires; that the court will exclude from the class any member who requests exclusion, stating when and how members may elect to be excluded; and the binding effect of a class judgment on class members under Rule 23(c)(3).

Fed. R. Civ. P. 23 (c)(2)(B).

7. The Notice satisfies each of these requirements and adequately puts class members on notice of the proposed settlement.

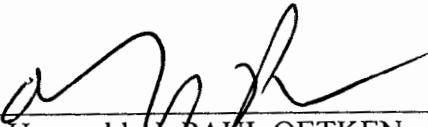

III. Class Action Settlement Procedure

8. The Court hereby sets the following settlement procedure:

On or before <u>6/17</u> , 2013	Parties will move for Preliminary Approval of Settlement Agreement and Release
